To Whom It May Concern:

Re: Mr. Himanshu Kumar

I have been asked to confirm the experience of Mr. Himanshu Kumar in support of his green card application. Please allow this letter to serve as confirmation that Mr. Kumar worked for Galileo Financial Technologies (SoFi) in San Francisco, California from March 15, 2021 until February 3, 2023. During this time he was employed full time as a Senior DevOps and Site Reliability Engineer working 40 hours per week. As a DevOps Engineer / Systems Administrator, I worked with Mr. Kumar and can attest to his duties during this period.

During Mr. Kumar's term of employment, he performed the following job duties: implemented CI/CD pipelines, resulting in increased deployment speed; Automated configuration management, reducing the number of manual configuration tasks; Designed and managed the implementation of a containerization strategy, reducing deployment times; Designed and implemented Kubernetes clusters in cloud and on-premises environments.

I can confirm that Mr. Kumar gained **1 year and 10 months (22 months)** of experience with each of the following during his employment: (a) automating infrastructure and implementing CI/CD pipelines; (b) creating Splunk dashboards to monitor application performance; (c) implementing and supporting infrastructure on AWS; (d) creating and maintaining automation scripts for deployment; (e) deploying production applications to Kubernetes using Octopus Deploy; (f) and all of the following: JIRA, Confluence, Jenkins, Docker, Python, and Shell Scripts.

Sincerely,

A handwritten signature in black ink, enclosed in a green rectangular border. The signature appears to read "Doug Rutherford" in a cursive script.

Doug Rutherford
Ex- DevOps Engineer at Galileo Financial Technologies (SoFi)
